Numerous entries could cause classes to be judged and then split.

18. Persons using abusive or insulting language to the judges will forfeit prize money and be expelled from the Society.
19. While the Directors will take every precaution to secure articles which are brought in, the owners themselves, must take the risk of exhibiting. Should any article/animal be accidentally lost, injured or stolen, the Directors will give assistance within their power towards the recovery but will make no payment towards the value.
20. In case of error in printing of the Prize List, the Directors have power to rectify the same.
21. In case of unfavourable weather, or other reasons, causing receipts to fall short of paying expenses and all prizes in full, a proportionate amount, exclusive of membership fees, will be deducted from such prizes to enable the Directors to balance the accounts without loss to the Society. The Directors feel that this course is the most equitable and fair one. Any deduction will fall proportionately on those participating, in the amount collected, and not leave the whole to be a debt to bear heavily on the Society and thus impair its usefulness.
22. Exhibitors are expected to give the secretary or judge any information that may be required in regard to any animal shown.
23. For your own protection - all horses must have a negative Coggins Test certificate (taken in the current year).
24. The Society will not be responsible for any person or persons injured at the Fair.

DIVISION 40**ELEMENTARY SCHOOL FAIR LIST**

Maggie Hicks - 519-368-
 Ann Roppel 519-368-7821
 Robin Fischuk 519-368-5390

With the changes in school boundaries over the past year, the committee has decided to change the format of the School Fair Division. Teachers in schools with pupils from the Municipality of Kincardine are invited to enter exhibits in the Tiverton Fall Fair. In order that the classes are relevant to the School Curriculum, we are suggesting that teachers choose topics that are meaningful to their specific class, for example, Grade 2 - Mathematics - a graph; Grade 7 - Science - Bird Migration. Any topic which fits into classroom objectives that is deemed to be worthy of display would be acceptable. These exhibits could be assembled over the year. Exhibits may be of more than one dimension.

RULES TO BE CONSIDERED:

1. Exhibitor may consider their grades to be the one in which they were pupils of the year ending in June.
2. Only one entry per topic per pupil.
3. A class may submit 6 - 8 entries for any one topic.
4. Art, posters, writing are to have entry ticket pinned or stapled to the bottom right-hand corner.
5. Each entry must clearly state Grade, Subject, Topic, Name of Student, Name of School.
6. Entries to be collected and left in the School Office on Tuesday, September 25, 2018. They will be picked up on Wednesday for judging.

PRIZES:

\$2.00; \$1.75; \$1.50; \$1.25; \$1.00 

Entries which show that much time, depth and effort have been exercised may be awarded more prize money at the discretion of the judges and committee.

School Displays - not judged - will receive \$5.00 for each display. These displays may be 4' x 4' or a mural 6' in length and may include both flat and 3 dimensional articles.

We appreciate the co-operation that we have received from the teachers in the past and look forward to a continuation in the future.

For more information contact any of the above committee.
