President's Message

As the self-appointed Queen of Tiverton and a native of the village, I am so very grateful to have a great committee that works tirelessly to bring you a fantastic weekend.

“Pumpkin Kisses & Autumn Wishes” is the theme and we hope it brings you as much joy as it did us preparing for the weekend.

All my life, this weekend has been about enjoying family and friends, while creating lifelong memories. How can it get any better when you add in some Pumpkin Kisses to the weekend. I hope this helps foster the love of the village for the future, creating a diverse and growing community that we all love and support.

Happy Fall Fair!

Heather Convay

President, Tiverton Agricultural Society

6. The Society is not responsible for indoor exhibits not removed by 5:00 p.m. Saturday unless arrangements have been made between the exhibitor and committee in charge.
7. All entries must be the property of the person in whose name they are entered. In case of a protest, an affidavit will be demanded. No bought or borrowed goods will be allowed.
8. No soiled articles will be accepted for competition, the judges will be instructed to award prizes to the new and up-to-date work.
9. When a certain number is called for on the list, exhibitors must not show more or less. All exhibits must be in accordance with prize list.
10. Each competitor shall be allowed but one prize for the same kind of grain or any kind of domestic produce or manufacture. Only one exhibit per Exhibitor is allowed per Section/Class in each Division.

11. Exhibitors winning prizes to the amount of \$10.00 or over, shall have a membership of \$5.00 for the next year deducted from their cheque. NOTE: We do not take percentages.
12. Exhibitors awarded prizes shall apply to the Treasurer on or before December 15, or forfeit such prizes. Due to problems encountered when using the most points systems for certain divisions, the Society has eliminated the point system where possible and has endeavoured to include more Special Novelties throughout the divisions. The Society will endeavour to provide exceptions prized accordingly. We encourage you to try some of these extra special categories.
16. The judges shall use their discretion in awarding prizes to such articles as they consider worthy, not enumerated in the Prize List, and directors shall determine the amount of the premium. The judges shall also endeavour to place all entries in their proper class, if wrongly entered.
17. Judges are requested to report to the Secretary before entering on their duties, where they will be furnished with badges. Judges are requested to return badges as soon as their duties are finished. Judging starts at 1:00pm Friday.

Judges have the discretion to award 2 – 1st prizes, etc. were application. Numerous entries could cause classes to be judged and then split.
18. Persons using abusive or insulting language to the judges will forfeit prize money and be expelled from the Society.
19. While the Directors will take every precaution to secure articles which are brought in, the owners themselves, must take the risk of exhibiting. Should any article/animal be accidentally lost, injured or stolen, the Directors will give assistance within their power towards the recovery but will make no payment towards the value.

20. In case of error in printing of the Prize List, the Directors have power to rectify the same.
21. In case of unfavourable weather, or other reasons, causing receipts to fall short of paying expenses and all prizes in full, a proportionate amount, exclusive of membership fees, will be deducted from such prizes to enable the Directors to balance the accounts without loss to the Society. The Directors feel that this course is the most equitable and fair one. Any deduction will fall proportionately on those participating, in the amount collected, and not leave the whole to be a debt to bear heavily on the Society and thus impair its usefulness.
22. Exhibitors are expected to give the secretary or judge any information that may be required in regard to any animal shown.
23. For your own protection - all horses must have a negative Coggins Test certificate (taken in the current year).
24. The Society will not be responsible for any person or persons injured at the Fair.
